

# Rule Number 3

When **TWO VOWELS** are together  
The **FIRST** one usually **SPEAKS** its **NAME**  
And the **SECOND** one is **SILENT**

Like  
**BOAT**  
And  
**STAY**  
And  
**GREEN**  
And  
**CHEAT**

Now let's do it military style:

When **TWO VOWELS** stand side by side  
The **FIRST** one says its **NAME** with **PRIDE!**
